

Greetings Folks:

Are you ready for this? This is the **3rd Edition of Corporate United States**, and the ink is hardly dry on the 2nd Edition. However, it painfully obvious that most did not read it or just rolled over and went back to sleep. I don't believe that the 2nd Edition was that boring. Let's see if 3rd Edition livens things up.

The follow article has quickly expanded, due to need for typographical, grammatical and legal corrections. Though, need for greater detail or further explanation also existed. Hopeful sheople will be able to grasp what is being stated here. We are about to enter the Twilight Zone, where there are lots scary creatures.

The Supreme Court of the United States has determined results of previous two Presidential Elections, and unbeknown to most folks they are about to do such again. Barack Hussein Obama (half white man, member of the British Royal Family, an Esquire) has until December 1, 2008, to produce his Birth Certificate. If he fails to produce verifiable United States Birth Certificate, the United States Supreme Court can declare him ineligible for the office of Presidency. If that happens prior to Electoral College meeting on December 15, 2008, then Hillary Clinton will be appointed as next President of the United States. If the Supreme Court and the Clintonistas are dumb enough to attempt to pull that off, it will cause massive civil unrest in this Country. Keep your powder dry, your going to need it.

If that happens, I expect that Obama and Powell will come riding in, dressed in shining armor, on white steeds, backed by military coup, to rescue the pour sheople from the evil Fascist Bushites and Clintonistas, the Great Satans or was that Satan Clauses. I am sorry, it is becoming difficult to tell one fair tale from another, since they look alike and have the same actors, just different musical chairs.

Let me make another point very clear. Obama has never claimed to be the first African President of the Unites States. He is more intelligent and better educated than the dumb sheople and news media, who are flapping their jaws. The first African President of the United States of America was John Hanson, a Moor. The second African to held the office of the Presidency of the United States of America was Abraham Springstein, whose grandmother was an African slave.

If Obama lives that long, he will become the third African to hold the office of the Presidency. (It has been reported that there have been 82 attempts against his life this year.) Does anyone wish to run for the office of the Presidency? The perks are great, but the risk is high! Especial, with Hillary the Black Widow lurking in the wings ready to pounce at any moment..

Did anyone note the dress that Obama's wife, Michelle, wore the night of the election. She wore the dress of the Black Widow Spider. I have been told that Obama is of the Bantu Tribe, and that to that People the Black Widow's Robe is a symbol of Royalty. But then too, it was a symbol intended to be in your face Hillary. I have been told that the Black Widow Spider is,

also, a symbol of an African goddess; however, I have not found any information on that, yet. Do you remember back in August, Hillary referred to Barack's election as a coronation. Oops! Folks, all Presidents of the United States, since the time of Abraham Stringstein, have been the direct descendants of the Kings and Queens of England, ALL OF THEM. Hillary is not a direct descendant. The Queen will not allow or tolerate Hillary becoming President.

From George Washington to King George Bush, the second, there have been 43 Presidents; however, there were eight Presidents prior to Washington. Of the 43 Presidents 34 were direct descendants of King Charlemagne X (of France), the last Emperor of Rome. It has not been made public, yet, but I guarantee you that Barack Hussein Obama is, also, direct descendant of Charlemagne X. All Presidents have not been direct descends, because several Vice Presidents have succeeded unexpectedly to the Throne. The Presidency of the United States is a Dynasty; basically, we have been under ROMAN RULE since 1789 until 1999, at which time we went under BABYLONIAN RULE. See Blacks's Law Dictionary, 7th Edition, where legal definitions are now based Babylonian Talmudic Law and Roman Law has been separated and placed at the back of the book. Welcome to reality, welcome to BABYLON.

If Obama is indeed a Bantu, there is a high probability that he is a direct of Nimrod or Semiramis, as well. Nimrod and Semiramis were the first Rulers of the world after Noah's Flood or the Great Flood, which reign was approximately 4500 years ago or longer. Zionist historians lie about the dates. King David reigned 3500 years ago, not 3000 as Zionist teach; and the Flood was 5000 to 5500 years ago, which is a scientific or geological fact, not Zionist theory.

Remember these Elite are looking for any excuse by which to justify martial law. Here is another move that will cause civil unrest. Sir Colin Powell (a 38% white man, a British Knight (Squire), who is a member of the British Royal Family and first cousin to Queen Elizabeth) has asked, in exchange for his support to Obama's Campaign, to be appointed as the next Secretary of Education. Sir Colin Powell wants to uniform all public schools (fools) in the country. That is correct. He wants to require ALL children in the public fool system throughout the Country to wear the exact same uniforms. How many parents will that anger? Was not that a practice of Nazi Germany and Red China? Hum! Who is going to pay for those uniforms? Powell knows that if you wish to control the population that one must control the minds of the children, first.

If that won't incite civil unrest, how about this one. Obama intends to arrest the Bushites and Clintonistas for war crimes on January 21, 2009, and turn them over to the World Court for trial. Or, maybe Obama's confiscation of assault rifles will the trick. Do you realize that hundreds, if not thousands of homeless people in this country have disappeared in the past month. Tell me, who or what is next on the hit list? At present there over 60 vacant prison in the United States, which bureaucRATS are eager to fill. FEMA camps await you!

Whatever, play act script they decided to run, the sheople most likely will fall for it or buy it. Can you image these two becoming the heroes of the militia. What a scam! Now if they hanged the Bushites and Clintonistas, and run the Attorners and Banksters out this Country, that might be a different story. But wait, that won't happen, Obama and his wife are both Attorners. Therefore, aren't they part of the problem and not the solution. Oops!

Some are now calling Obama, the Messiah. While others shouting anti-Christ. The Zionist and Luciferian have exacted a great job in fooling the sheople in this Country, since we have been under the spell, influence and reign of the anti-Christ, King James (Erskine, not a Stewart), and his successors, who have claimed the divine right of kings (and think themselves to be deity), for over four hundred years. Oh, holy Mary (Queen of Scots), mother who? For the record King James Erskine, a Knight of Templar, murder Prince Jacob, son of Mary, Queen of Scots, and seized the Throne of Scotland. And again, I stated what a scam, what a scam! Yep, and the dumb sheople keep on buying the next script. "My people parish for the lack of knowledge."

The following article in part is the transcript taken from the Intelligence Report Broadcast at 1800 ET on October 3, 2008, on [www.libertytreeradio.4mg.com](http://www.libertytreeradio.4mg.com) and [www.wtprn.com](http://www.wtprn.com) The archive of that Broadcast can be downloaded from [www.wtprn.com](http://www.wtprn.com) or [www.theintelligencereport.tk](http://www.theintelligencereport.tk) Also, I recommend that you download the first hour of that Broadcast, as well. And while you are downloading Broadcasts from [www.wtprn.com](http://www.wtprn.com) please go back and download August 29, 2008, the Rule of Law; download all four hours. That archive can, also, be downloaded at [www.ruleoflawradio.com](http://www.ruleoflawradio.com) While downloads are still available, also, I recommend that you download three broadcasts by George Gordon from back in December 2003, on Cures Cancer, oh, I mean Botch of Egypt. These broadcasts are all well worth burning to CD and sharing with others. These are all sober looks at reality, which big brother does not want you to know.

The corporations in the United States, which deal in buying and selling the largest number of slave bonds, are WAL-MART, EXXON (Rockefeller), GENERAL MOTORS, FORD MOTORS, CHEVY, TEXICO, CITY CORP, IBM, PHILIPS PETROLEUM (Rockefeller), HEWLETT PACKARD, VERIZON, UNITED POSTAL SERVICE (which is owned by the Rockefellers), CORRECTION CORP OF AMERICA and TRANSPORT CORPORATION OF AMERICA. These corporations hate free men.

For those who still do not know, Bill Clinton's real name is William Jefferson Blythe, III; he is the grandson of John D. Rockefeller and he is a descendant of Henry VIII. He is the ONLY Rockefeller that is a direct descendant of the Kings and Queens of England. He is the illegitimate son of Virginia Rockefeller. Also, he is the grand nephew of Thomas Woodrow Wilson, the man who gave this Country the Federal Reserve Bank, Income Tax, WWI and the League of Nations, which is why Bill wants to become the next Secretary General of the United Nations. TRAITOR!

If the following article on corporate United States does not shatter your rose colored glasses and awaken you from you public fool education stooper, I suspect your beyond hope or are indeed one of the enemy. Go back to rocking until they come drag you off to some FEMA camp. Death to the New World Order.

## Corporate UNITED STATES

3rd Edition

November 16, 2008

Read and weep. We have been played the FOOL. This by no means is an exhaustive thesis on this matter, however, this should give the reader some insight to what has and is actually happening in the supposed Land of the Free and Brave. When in actuality this is the land of Suckers and Slaves. Government is one big SCAM, run by Attorners, British Aristocratic Regents, with forked tongues.

On December 26, 1933, 49 Statute 3097, Treaty Series 881, "Convention on Rights and Duties of States", CONGRESS replaced STATUTES with international law, placing all states under international law.

On December 9, 1945, International Organization Immunities Act relinquished every public office of the United States to the United Nations.

22 CFR (Code of Federal Regulations) 92.12-92.31 FR Heading "Foreign Relationship" states that oath is required to take office.

Title 8 USC 1481 states, once oath of office is taken citizenship is relinquished, thus the oath taker becomes a foreign entity, agency, or state. That means every public office is a foreign state, even all political subdivisions; i.e., every single court is considered a separate foreign entity.

Title 22 USC, "Foreign Relations and Intercourse", Chapter 11 identifies all public officials as foreign agents.

At 22 USC § 611, DEFINITIONS, it states in part, "As used in and for the purposes of this subchapter

- (a) The term "person" includes an individual, partnership, association, corporation, organization, or any other combination of individuals;
- (b) The term "foreign principal" includes—
  - (1) a government of a foreign country and a foreign political party;
  - (2) a person outside of the United States, unless it is established that such person is an individual and a citizen of and domiciled within the United States, or that such person is not an individual and is organized under or created by the laws of the United States or of any State or other place subject to the jurisdiction of the United States and has its principal place of business within the United States; and
  - (3) a partnership, association, corporation, organization, or other combination of persons organized under the laws of or having its principal place of business in a foreign country.
- (e) The term "government of a foreign country" includes any person or group of persons exercising sovereign de facto or de jure political jurisdiction over any country, other than the United States, or over any part of such country, and includes any subdivision of any such group and any group or agency to be directly or indirectly delegated. Such term shall include any faction or body of insurgents within a country assuming to exercise governmental authority whether such faction or body of insurgents has or has not been recognized by the United States;
- (f) The term "foreign political party" includes any organization or any other combination of individuals in a country other than the United States, or any unit or branch thereof,

having devoted in whole or in part to, the establishment, administration, control, or acquisition of administration or control, of a government of a foreign country or a subdivision thereof, or the furtherance or influencing of the political or public interests, policies, or relations of a government of a foreign country or a subdivision thereof;

Please note that the term "includes" excludes everything that is not listed thereafter. See 26 USC 7001(c): The terms "includes" and "including" when used in a definition contained in this title shall not be deemed to exclude other things otherwise within the meaning of the term defined. This double talk means that if not included within the list then it is EXCLUDED and not applicable.

The term "individual" means 14 Amendment citizen of the United States or resident alien, thereof. See Immigration Code for definition, which is the only place in US law that this term is defined. When anyone signs a Voter Registration or purchases a "firearms" from a Federal Firearms Dealer, they declare under the penalty of perjury that they are a "United States citizen". "United States citizen" are Fourteenth Amendments citizen; that is, freedmen. In *Faretta v California*, 422 US 806, 850 (1975), the United States Supreme Court ruled that everyone has the right to make a FOOL of themselves. Presidential and Senatorial Elections are unCONstitutional. The President is selected by the Electoral College and Senators are supposed to be appointed by state Assemblies. What a scam!

If you voted then you participated in FRAUD, having unclean hands and no right to complaint, in direct violation of the Constitution for the United States of America. But then that does not really matter, since that CONStitution lawfully does not exist. If it existed than women could not lawfully run for the office of President or Vice President; and neither could Obama or McCain, since neither of them were "natural born Citizens", nor indeed could they possibly be. But then too, anyone convicted of committing TREASON against the United States, could not possibly hold the Office of President, now could they? Ronald Reagan was convicted of TREASON against the United States in 1949, but yet he was allowed to be President, thereof, 1981-1989. Can anyone say, FRAUD.

Since the "War of Aggression" (America's second Revolution), five Presidents of the "United States" were not "natural born Citizens"; three of which ruled that Nation under "Martial Law". If Obama (the half white man, member of the British Royal Family) was born in Hawaii that still would not Constitutionally make him qualified for the Office of the Presidency, since Hawaii is not a contiguous state and never can be; but then, neither can Alaska.

However, of all the CFR (Council on Foreign Relation) members that were forced upon the sheople to choose from, I still believe that Obama is the lesser of the EVILS. An Obama Presidential Candidacy is a tell tale sign that the Constitution for the United States of America is NULL and VOID.

The terms "outside" and "inside" have to do with geographical location. The terms "within" and "without" have to do with relationship to the corporate body. In law, the term "a" means similar to or as if; that is, usually not real or not the real thing, counterfeit or look alike, possibly

even FRAUD and deception. The term "United States" means the District of Columbia and its ten subdistrict or regions: 16 Statutes at Large 419, February 21, 1871. Read it and weep!

In the above section (e) the CONgress legislatively by Code or Statute has made or created *de facto* government as if it was sovereign: self made and self serving sovereignty. Tell me please, how is it possible for that which is fiction or fraud to be or become SOVEREIGN. Romans 9:14-26. FOOLS claim to be sovereign; man cannot be sovereign, man can only be cloaked with sovereign immunity, at best. Luciferians and Zionists teach and believe that man is or can become deity. Law declares that all men have a master. Who is your master?

Patrick Henry refused to sign the CONstitution for the United States of America, because he stated that it was TREASON against the Most High, the ONLY true Sovereign. He walked out of the CONvention and other Delegates from Virginia, North Carolina and Rhode Island joined him; and the entire Delegation from New York walked out. There was no quorum present when the CONstitution was signed as Witnesses, not Delegates. The Signature of Alexander Hamilton upon that instrument constituted perpetration and conspiracy to commit FRAUD and DECEPTION, since Hamilton was not a Delegate to the CONvention. He and Washington conspired to make it appear as if a Delegate from New York had signed this CON-CON. Delegates from the state of Franklin were not allowed to attend the CONvention. Folks, in 1787, there were fourteen states, not thirteen; however, the state of Franklin did not exist when the CONstitution was written in 1783. Oops!

The original draft of that so-called Constitution was written in London, England by Benjamin Franklin and King George III in 1783. It was Franklin's job to sell or peddle the scam to the Continental Congress to indebt and resubjugate the Colonies to the Crown. The Holy See bought the debt in 1794. Ambassador John Jay signed the Commerce Treaty with the King of Great Britain in 1794, which brought the United States of America under the law of the sea. The Republic functionally died, however, the Articles of Confederation and Bill of Rights are still alive and intact, though often ignored.

Title 28 USC §3002 (15)(A) states that the United States is "a Federal Corporation" and not Government, State or Republic, which mean the Judiciary Procedure are corporate rules. William Dixon v The United States, 1 Marsh 117, 181 (1811), Justice John Marshall explained that "The United States of America" was a corporation and all of the politicians were the officers of that corporation. It is worthy of note that Justice Marshall, also, uses the term "collector" repeatedly throughout this decision, and he discusses the difference between the collectors personal interest or benefits, and the interest or benefits of the United States of America. [http://www.jusbelli.com/usofa\\_is\\_corp.html](http://www.jusbelli.com/usofa_is_corp.html) Said corporation died when Congress adjourned *sine die* in November 1860, and NEVER reconvened. For meaning of "sine die" see State ex rel. Jones v Atterbury, Missouri, 300 S.W. 2D 806, 811.

Abraham Springstein [For all of you Public Fool Educated sheople, "Lincoln", the second African President of the United States of America.] set himself up as dictator in March of 1861. However, the present Federal chartered or corporate "United States", the "District of Columbia", and its ten sub-districts or regions was created February 21, 1871, 16 Statutes at Large 419.

The Federal Birth Certificate was created, February 21, 1921, exactly fifth years later to establish or create Federal children or proceeds of said Federal corporation, said Certifications are sold daily on the New York Stock Exchange as chattel. Merrill Lynch, Paine Webber and AG Edwards are the main slave traders on NYSE. Slave trade was legalized by the CONstitution.

The Bureau of Federal Children was abolished two years after its creation and its proceeds (Federal children) were turned over to the control of the Department of Commerce. See Supplement 46 USC §§ 1176 – 1282, where taxpayers are referred to as “vessels”.

Title 18 USC §3077(4) states, “United States”, when used in a geographical sense, includes Puerto Rico and all territories and possession of the United States. Note it states "Puerto Rico and all territories and possessions", sovereign states, if any exist, are not and cannot be geographically part of the Federal corporate United States, the "District of Criminals".

Federal Civil Judicial Procedures and Rules, Rule 4(j) states that the Court jurisdiction and immunity fall under a foreign State and refers reader to Foreign Sovereign Immunities Act of 1976, 28 USC §1608.

Federal Civil Judicial Procedures and Rules, Rule 81(f) DEFINITION, OFFICERS OF THE UNITED STATES. “Under any rule in which reference is made to an officer or agency of the United States, the term “officer” includes a district director of internal revenue, a former district **director** or **collector** of internal revenue, or the personal representative of a deceased district director or collector of internal revenue.” This Rule is now missing from published Court Rules. I wonder why!

ALL officers of the courts are officers of the United States. The United States is foreign to the Republic and subject to the United Nation, British Crown and Holy See. The CONstitution declares such subjugation in Article VI, which Article, also, established State Religion. The taking of an OATH is a religious act, and was abolished by the First Article in Amendment. Taking of these Luciferian OATHES is anti-Christian: Matthew 6:34-37 and James 5:12. Welcome to the land of corporate SLAVES, who are all NUMBERED and about to be tagged. Fascism is alive and well in USSA, United Social States of Amerika.

I have made reference to RULE 81(f) in the Temples Of Baal, since 1995. Temples Of Baal may be easily found at [www.restoreliberty.us](http://www.restoreliberty.us) and [www.theintelligencereport.tk](http://www.theintelligencereport.tk) or may be received by sending your request to me. Temples Of Baal is a cynical look at the corrupt US court system, which system is scoffed at by lawyers world wide, and how it operates in FRAUD and Deception, forcing sheople into contract and subjugation through use of misrepresentation, threat, coercion or duress to extort from them the fruits of their labor.

“Never mind the man behind the curtain, I am the GREAT and POWERFUL OZ,” saith the Black Robed Devil or was that the Bankster? Oh yes, now I see, the Black Robed Devil was accompanied by hoards of winged MONKEYS, and the Bankster claimed to be OZ (ounce); and

street of gold bricks lead straight to his door, while the Devil resided at the round fortress in the forest..

Do you remember what the Black Robed Devil did to stop Dorothy from reaching the City of Green (Backs)? She created a field of POPPIES. Dorothy, Toto and the Lion were all succumbed by the morphine and heroine; while her Straw man and TIN man (tax identification number), artificial entities, were not. They screamed and called for Satan Clause to come rescue poor Dorothy, and Satan Clause gave Dorothy SNOW (cocaine) to make her feel better; just as the Bushites and Clintonistas have down for years.

Just a fair tale, you say! Then why did the Black Robed Devil want ALL (Toto) of Dorothy's silver? Well, do you remember what Alice was when she played chess against the Black Robed Devil? Alice was a PAWN. Have you ever attended a mad Hatter's Tea Party? No! Well, tell me, when was the last time you attended a religious service in a courtroom only to discover that you were the sacrifice? Maybe you should go take a good lôôk, Through The Looking Glass.

There is even more, hidden from public view. Are you afraid to lôôk?
